Section 248, authorizing the construction and operation )  
of a 5-wind turbine electric generation facility, with )  
associated electric and interconnection facilities, on )  
Georgia Mountain in the Towns of Milton and Georgia, )  
Vermont, to be known as the "Georgia Mountain )  
Community Wind Project" )

Order entered: 4/11/2011

**ORDER RE: MOTION FOR ADMISSION OF EVIDENCE**

On March 10, 2011, the Public Service Board ("Board") held a Technical Hearing in this Docket. At the Technical Hearing, Scott McLane objected to admission of the *Pier Interim Project Report: Permitting Setback Requirements for Wind Turbines in California* (the "PIER Report"), offered by Georgia Mountain Community Wind, LLC ("GMCW") as Petitioner Cross Exhibit 25.

As requested by the Board at the Technical Hearing, GMCW filed a motion for the admission of evidence on March 21, 2011. On March 23, 2011, Mr. McLane withdrew his objection and requested that the Board take notice of several factors when determining the appropriate evidentiary weight to be given the PIER Report.

Given that Mr. McLane has withdrawn his objection, the PIER Report is admitted into the evidentiary record as Petitioner Cross Exhibit 25.

**SO ORDERED.**

Dated at Montpelier, Vermont, this 11<sup>th</sup> day of April, 2011.
